I think I'm just now reaching my sexual peak at 42. Oh yes, I've fucked a lot before, but now, it's like fucking hotter than it used to be! I think my blow jobs are better than they were. My pussy feels hotter the guys tell me, and my climaxes are more intense. I want to try more new things so I think in the next year I'm going to finally take it in the ass. Ouch!

Over 18 only.

fantasize no more

It's now ten pm and she's an hour late. I don't want to call and seem anxious, yet I'm concerned that something may have happened in this weather. It's early Friday night and it's pouring rain out there. Lightning breaks the darkness and thunder shakes the house. I'm looking out at the street standing at the window fingering my cell phone. I decide I have to know if she's okay. I'm scrolling through my 'Contacts' when there's a knock at the door. I put the phone down and go over, looking through the peephole. It's her. I open the door and she's standing there, dripping wet, even though she had an umbrella. "Hi baby, are you okay? I was more than a little worried." I say as I motion her to come in. "Oh it's the rain. It was raining a lot harder where I was than it is here." she replies as she walks past me and into the house.

I watch her walk in as she hands me the umbrella and I close the door. My heartbeat is increasing quickly. Lucianne looks incredible. She stops at the edge of the living room and takes off her wet shoes. Looking back at me she says, "I'm going to go get out of these wet clothes, okay?" She heads off to the bathroom and returns a few minutes later in a sweet hot pink bra and panty. They are a perfect match for her long blonde hair and blue eyes. Her figure is sublime. Tanned, five foot eight and quite toned. She told me she's at the gym three times a week, something I don't have a chance to do.

We're waiting for her in the living room. She walks in like a Nordic goddess and I can't believe we're about to do this. Stephan stands when she enters. "Hi Lucianne. You

look beautiful tonight." She thanks him as he hands her a drink. She looks past him at me downing my glass of wine. "I like your outfit." she says. I thank her and told her I got it just for tonight. I'm in a black cami and g-string set. It's low-cut front accents my ample cleavage and makes my boobs look great. I'm just an inch or two shorter than her but the couple extra pounds I have on look good on me. They make my boobs and butt look really good.

Then Stephan follows her over to the sofa as she sits next to me on my left and he sits on my right. Stephan takes both of our glasses and puts them on the coffee table. We make some very small talk before she starts to kiss my neck, working her way up to my ear and cheek. Her kiss is soft and my skin tingles. I feel her hand on my leg slowly going up my thigh but she stops short of my pussy and then her hand goes back down towards my knee. I can already feel my pussy juices begin to flow and it isn't long before my panties are soaked through. I refocus to a warm wet mouth on my breast, gently biting my nipple. I give a slight moan. I feel a hand, soft on my cheek.

Lucianne turns my face to hers and begins a kiss. She looks at me,

mouth open, tongue appearing at the opening. She moves her head closer, her tongue darts into my mouth. She kisses me hard, caressing my face, sucking my tongue. Instinctively, my hand goes to the bulge in my husband's jeans. He is shirtless and shoeless, and he told me before, boxerless. Stephan unzips his fly and pulls out his cock. He places my hand back. He turns me to face Lucianne and starts to stroke my ass, his hand goes under my panties and I feel him brush my asshole with his finger. I lift my left leg putting my foot on the edge of the table to make it a little easier for him. Lucianne's

hand finally slips into my panties and she immediately finds my clit and begins to rub and pinch the lips around it with her tongue still in my mouth. As soon as she touches me, my tongue pushes back and our faces press closer. I have been caressing her butt and thighs, but with that my hand pushes her legs more open and finds her wet pussy. I move her panties to one side and stroke her clit, rubbing hard until I realize how hard I was rubbing, then ease up as she moaned loudly with our mouths still pressed tight. We can feel the vibration of each other moans. With two sets of fingers touching and stroking my pussy and asshole, I feel an orgasm start to build. The intensity is overwhelming. I hear heavy breathing that turns to loud moans. It's me.

Lucianne pulls my panties past my hips and puts a finger into my hot pussy. She finds the right spot and works it around inside. I feel a second finger go in, then a third filling me even more. Suddenly, I feel my asscheeks widen and his fingers, that had been massaging me, now enter my butt and I'm aware that both my holes are filled at the same time. Never before. I moan even louder, breaking my mouth away from hers as she increases the speed and pressure she is using. After a few moments my orgasm hits, wave upon wave of pleasure. My body spasms, bucking, twisting, I have no control. Slowly it passes, my breathing heavy and eyes closed. I still feel everyone's fingers inside me but with more gentleness now.

Lucianne looks at me, a slight smile on her luscious lips. She stands up from the sofa and pulls her panties off. She sits back down and raises her legs in the air. She starts rubbing her clit with her hand, sticking her fingers in and out. I get off the sofa and position myself in between her velvet thighs. My tongue follows

sweat trails up her thighs licking her smooth skin as it goes along. I move closer to her pussy and then reach her inner lips and lick with long strokes which end at her little button. Her hands move to the back of my head and she pulls me closer. "Kiss me there." she says in hot anticipation.

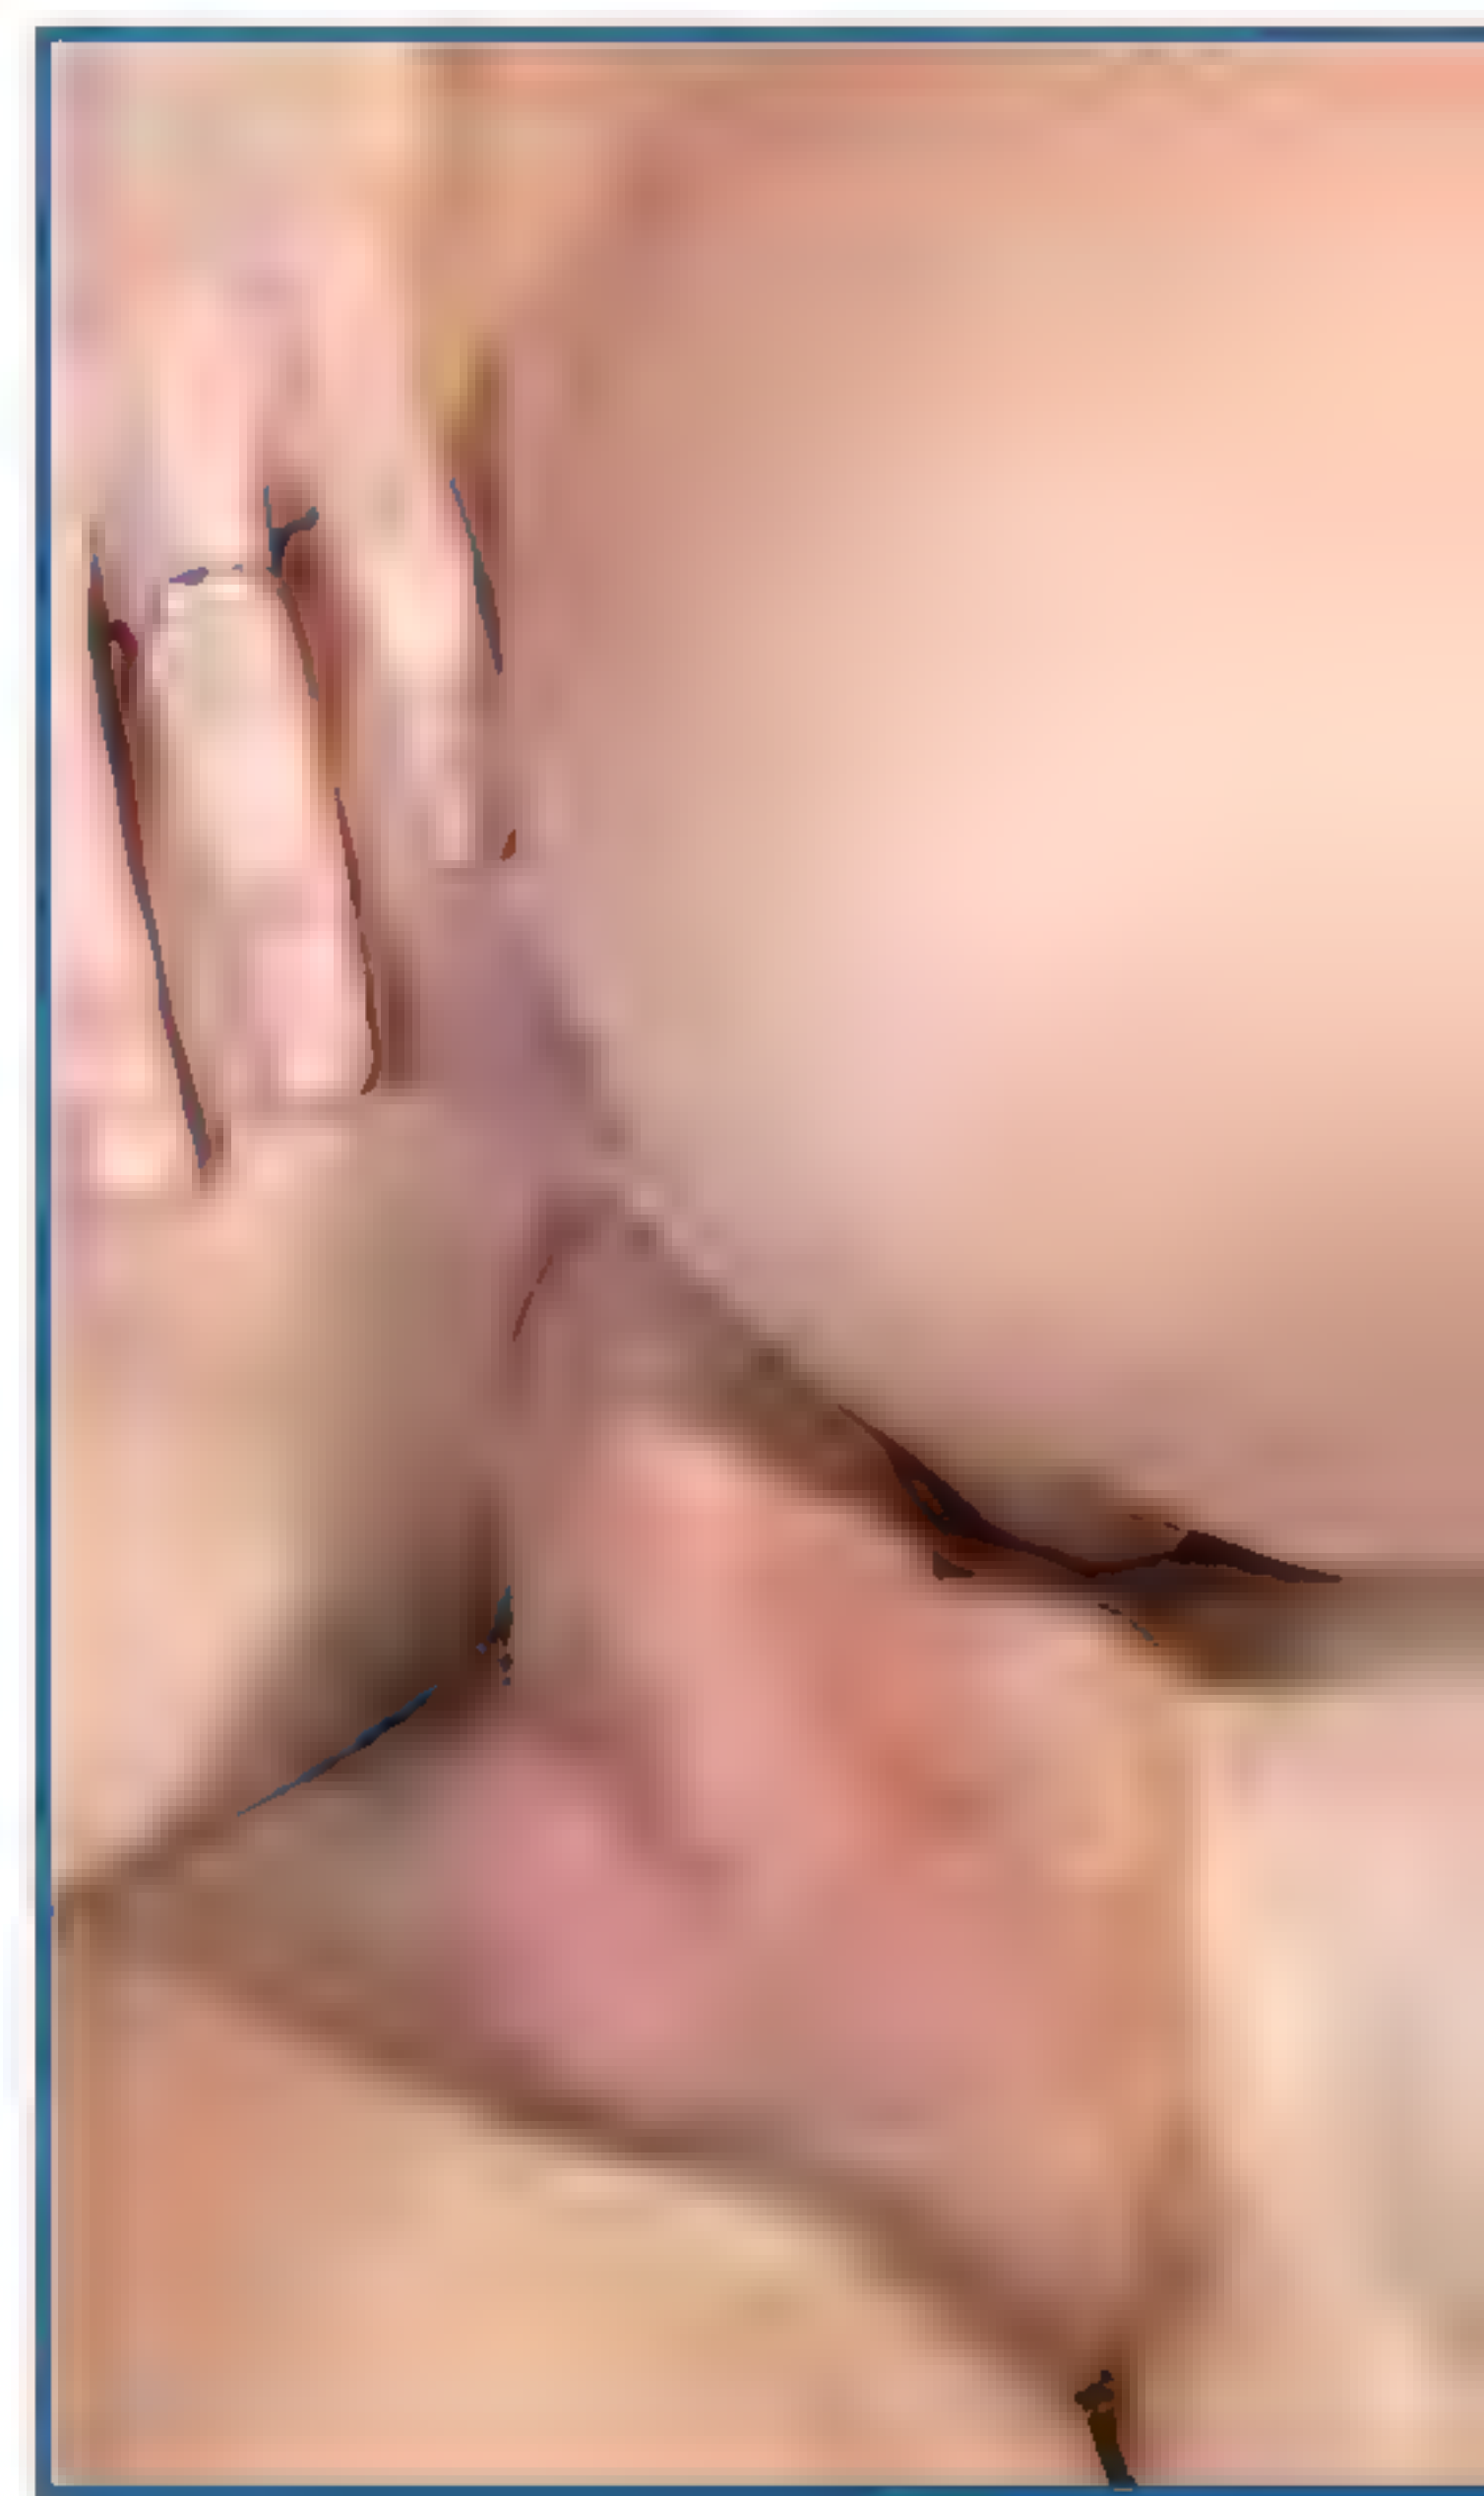

My tongue enters her as I smell her womanly scent. She moans loud as one hand grabs hold of my hair and tries to pull my head closer almost rubbing my face in her clit. Her other hand goes down to her pubic hair, fingers either side of her clit, she pulls the small hood away exposing her bud of pleasure for me to devour. I take her clit into my mouth gently sucking it as my tongue firmly licks it. I sense it get harder as my tongue work all around. My mouth is gently biting and my lips are pulling at her labia. My face is buried between her thighs as I feel Stephan come behind me; my ass is exposed and he kneels behind it. I feel his lips and tongue around my asshole, his fingers rubbing my clit.

I feel a finger enter my anus once again, then a second one enters as he pushes them deeper into me. I start to rock back and forth taking his fingers deeper. He pushes them in and out of me as he feels my rhythm licking her sweetness. He spreads my tender cheeks wide. I feel the engorged head of his stiff cock pushing at the tight entrance. He slowly pushes its whole length into me. He holds my hips tightly as he thrusts firmly into my butthole. I feel him bend down and his large hands envelope my hanging breasts. I notice the relief from gravity and I push my hips back into him as if to say thanks. With each thrust he pushes my tongue deeper into pussy. It's Lucianne's turn to start to lose control as I feel her orgasm hit with a sudden wetness on my face as she ejaculates her warm pussy juices. This turns me on more and I lick her

clean as she comes back down from the intense pleasure.

She slides down onto the floor and finds my mouth – kissing me and licking my mouth and lips. Her hands find my breasts and pushes his away so she can twist my nipples. The pain increases my orgasm which is now reaching its peak. His cock is in my ass and his balls slapping my pussy. He increases the speed, the feeling is now wonderful not painful, and my orgasm seems to last hours. My sphincter closes tight around him and I feel his cock tense

more. He's going to shoot. He pulls his cock out and I quickly turn around, mouth open waiting for his juice to enter. I grab his cock and roughly stroke it to be sure he finishes. He misses my mouth and so the cum splays all over my lips and face. I take his cock in my mouth swallowing it deep until the whole thing hits the back of my throat. I suck it clean. Lucianne moves around and starts to lick the cum off my face. She cleans me completely. I pull myself up and start running my hands over his strong wet chest.

Lucianne's gets up on her knees and takes his cock in her hand and starts pulling it into her mouth. Later I would learn this was the first time any part of a man has ever entered her. She starts with the head slowly licking and sucking. I can see he's enjoying it, eyes close oblivious to me. Lucianne starts to take more and

more into her mouth, she gags but this doesn't stop her. His cock disappears down her throat. Lucianne stands up and then lays herself down on the sofa. She lays on her side and pulls Stephan over so she can continue with his cock. He kneels down so Lucianne can continue to suck his cock. I push him down gently at the shoulder and he grabs the top of the sofa hovering over her as she works his cock. He's bent perfectly so I can lick his asshole and balls. I nuzzle in and his musk intoxicates me as my tongue flicks his hole. I lick the entrance and then I wet one of my fingers and push in to the first knuckle and wiggle it around; then I put in a second then a third. I hear him moan as I increase the speed, thrusting them in deeper, backwards and forwards. I know now that it won't be long before he'll explode.

His cock increases it's thrusting in and out of Lucianne's mouth. I feel my fingers excite his prostate. His body shakes, he holds Lucianne's head and fucks her mouth. She is not used to this and gags several times but continues to suck as his intense orgasm seems to continue for ever. Lucianne takes all of his semen just as I did. Not a drop escapes her. I remove my fingers from his ass with a loud suction sound. He shudders and rolls over to the empty sofa cushions and lays back closing his eyes and breathing heavy. When opens his eyes, he sees Lucianne and me are sixty-nining.

I'm on the sofa cushions and she's on top with her ass in the air. She is an expert with her tongue with years of licking pussy, hitting all the right spots and soon she's got me screaming. She flicks my clit with her tongue and nibbles it with her teeth. My fingers find their way deep into her pussy. She begins to rock back in approval. Stephan gets up and stands behind Lucianne. He's gotten hard again watching me finger fuck her and hearing our moans. He kneels behind her, his balls dangling above my face. The tip of his penis strokes Lucianne's pussy lips. I take his stiff rod and guide it into her hole as I spread her pussy lips.

I feel Lucianne's body tense up as he pushes in. To my surprise she pushes back and takes his entire length in one go. I poke my tongue out and try to lick his balls as he thrusts. He holds his cock and removes it from her pussy and targets my mouth. I taste her juices all over his dick. I suck it hard for moment when he sticks it back in her for a few more thrusts. He thrusts it into me then into Lucianne repeatedly. She's obviously gotten comfortable with a cock inside her and has started to lick my clit again. I sense we all feel the same groove as our bodies move back and forth in sync. I cum first as Lucianne hits all the right spots at the right time. Lucianne's next to climax, burying her face deep into my crotch to muffle her screams. Stephan pounds her from the back with deep thrusts but manages to pull himself out and sprays on her shiny, sweaty ass. It drips down her crack onto my face. My tongue reaches out for it.

I love my husband but things had become stale. I got up the courage to talk about it with him and we discussed several ways to help our marriage. I think it was a good solution. Don't you?

DASHA & BEN

More than anything Dasha wanted to be a really famous porn star. While that may not be what most women aspire to, after she got out of college, it was what she wanted and went for it. And she did it all with style and ass. Los Angeles has not yet stopped shaking.

Dasha

When I got into the business, every guy and girl wanted to have sex with me. That was very flattering, and I did most of them. Now, I am very particular who I will let fuck my mouth, pussy or ass. It's not about quantity any more. Now, it's about enjoying the sex act, even on camera. I hope to keep doing this for years to cum. Maybe I'll even be in your 50+ magazine some day. I'll look forward to that day, and you can still watch me.

Melanie Rios
&
Francesca Le

Never has pussy licking looked or tasted so good. Melanie thought she could outlast the more mature Francesca but that proved wrong. As long as the two went at it, there was lick for lick finger-fuck for finger-fuck. By the time they had finished, the kitchen was in worse condition than if a 300 lb. football player tried to make pancakes. And we have to thank the ladies for letting us watch. Kinda Kinky?

My wife, Lilly and I are kinda kinky in that we like to have sex with other people having sex. But we are faithful to each other. This little fetish started when we invited our good friends Tiffany and Erick over for dinner and drinks. We finished dinner, went to the living room and continued with the drinks. A couple hours passed and Tiffany said she was feeling quite horny. I found a dvd we had and put it on. We watched for a few minutes then I took Lilly into the kitchen to freshen the drinks. I started kissing her hard for a bit and we made out in there for a few minutes before she pulled away and grabbed the drinks. We returned to the living room to find Tiffany and Erick kissing and waiting for us to come back with the drinks.

Then, the ladies started dancing around in front of us before Tiffany jumped on Erick's lap throwing her arms around him. Tiffany was on top of him with his hand up her skirt fingering her pussy as they kissed furiously, her skirt pulled up to her waist. Lilly and I watched as Tiffany spread her legs for Erick to get more fingers inside her. After a few minutes Erick had slipped her panties off and had one nipple popped out of her blouse. Tiffany had her hand around his cock as he climbed on top of her and spread her legs as he guided his cock into her pussy.

Lilly had backed up to push against me watching her friend getting fucked in front of us on the couch. She now reached behind her to grab my cock with one hand as she watched them. Lilly was now soaking wet and stripped off her clothes and pulled my pants down. She dropped to her knees in front of me and said to the two next to us. "Watch this!" Then she proceeded to take my entire cock down her throat in one downward motion, swallowing it whole. They applauded and went back to fuck-

ing. We watched each other cum to orgasm several times that night.

Evening Quickie

At six in the morning my alarm went off and I slowly climbed out of bed. I was getting ready for work when my husband woke up and motioned me back to the bed. I knew what that meant. Sex. I told him I was already late. He pats the bed again. When I got close he threw back the covers exposing his hard cock. I grabbed it momentarily and kissed his lips but I left him hanging. I walked out of our bedroom and eventually he fell back asleep.

I finally got off to work and eight hours later I came back home. I wanted to please him since he looked so disappointed when I left this morning. I found him in the bedroom snoozing. I got myself naked and crawled on the bed I nudged him so he could move to the middle. I slid his boxers off and started sucking and stroking his cock. I didn't need to get him wet, just make him hard enough to be able to ride him because my pussy is always wet. He woke up fully and held my head as it bobbed up and down sucking and rolling my tongue around his shaft. I slowed down the sucking and sat up, straddling his dick, held it in my hand and spread my pussy lips. I guided it into my already wet pussy. I grind down finding the right spot. Then I slowly raise and lower my body, both my hands on his pecs, his hands on my hips with both of us moaning.

We continued this for a while. His cock pulsed in my hole, his moaning became louder and I

40+: Hello Shyla! You are one sexy woman. Do you think you are?

Shyla: Well, thanks. I don't really think I am. You see me all glammed up, but I'm this way only when I work or go out. Other than that, I'm a sweats and sneakers girl that wears a baseball cap all the time. I even try to minimize my boobs to avoid the attention. Okay, yes, I'm very sexy guys!

became wetter. As I rode him harder, my wet pussy and his cock were making a sloshing sound. I began to moan. He begins to moan. I pounced harder on him, we're both about to cum. I pinched his nipples; he exploded inside me. My turn. I moaned loudly, flinging my head back and my inner walls grabbed his balls as I came. Then he said thanks he needed that. We snoozed for another hour and he got up and made me a great steak dinner. Later, he was my dessert!

Daytona Beached

This past summer Missy and I took a trip to Daytona Beach from our rainy home in Seattle. Missy and I have been married for almost 20 years; we are both in our mid forties and have been exclusive to each other till this fateful trip. We live a typical middle-aged life, yet until that trip we hadn't realized how boring it was. Missy, as hot as she is, she is also the hallmark of the term conservative. Everything she wears looks sexy because of her beauty and shape along with her self confidence and pleasant demeanor. As we prepared to celebrate our wedding anniversary, we decided to take a trip to Florida to maybe find a way out of our banality, even for a summer's week.

We arrived in Daytona Beach on a Friday morning and went straight to the condo we rented at the resort. We dropped our bags and walked around to see the amenities at our resort. We made a reservation at the spa that afternoon and had great massages before heading out for dinner. We dined at a restaurant and the drinks flowed heavily as we tried to relax from our flight. We ordered more drinks and waited for our dinner. Missy and I noticed that we were definitely some of the more mature patrons that were in the restaurant, but ate our food, laughed and finally went back to the room and crashed.

The next day we went to the beach and assessed that the average age here must be in the early to mid twenties. And here we were, in our forties surrounded by these young and hot twenty-somethings. The young men exhumed testosterone and the young women

were flaunting every bit of their sexuality, wearing the tiniest shorts and exceedingly tight t-shirts revealing that many were wearing bikini tops or nothing at all. Seeing all these hot bodies surrounding us increased our sexual desire and passion for each other.

That night we decided on a sports bar on the beach and went early so we could come back to our room and fuck. In the middle of dinner we heard a shrill voice call my wife's name. "Mrs. Olson?" My wife's face blushed. She recognized that voice as one of her former students. The young hottie came closer and exclaimed "Well hello. Who'd ever think I'd run into you here?" The young woman came over to our table and I was introduced to her: Beth. She's a waitress at the place. Beth had on a very small pair of shorts that barely covered her ass. The front of her shorts were unbuttoned at the top showing what appeared to be the top of a very tiny bikini under her shorts. She wore a multi-colored bikini top that barely covered her very perky twenty-year-old boobs and a name tag that was strategically placed on one of the triangles covering her where her nipple would be.

After that initial shock of running into one of her students in Daytona Beach, Missy relaxed to the point where she began to loosen up. I'm sure the extra drinks brought to us by Beth helped her to loosen up. Walking back to our condo, we again ran into Beth and her boyfriend, Clive and two other friends, Lana and Pat. All four of them were what you expect to see at a place like that. They invited us clubbing tomorrow night. We agreed.

Dear 40+

I think I went to college with the girl on your cover, Shyla, but that wasn't her name then. I remember that cute sexy smile but her tits didn't seem that nice back then. How can I find out if she was my classmate? My friend, who went to college with us at the same time, says it ain't her, but I think it is. She was about five foot six and had smallish boobs and a short hairdo. But she could have had her chest done. I'm looking at the yearbook now as I write and I'm convinced it's her.

The next night we met at the club. Everyone was decked out and looking hot. As we danced, Beth and Lana would seductively dance with my Missy. This made me hard like I never expected. I had no idea this was in my wife. Clive took turns rubbing up and down on my wife as we danced and she didn't seem to mind one bit. Oddly, neither did I. Beth made sure that I didn't feel alone and would come and grind on me, too. It was extremely hot and sexual to be dancing like this with all these hotties. After a few hours of bumping, grinding and drinking, Clive and Beth invited us all back to their place.

A half hour later we arrived at their apartment and Beth said she was going to get some drinks for everyone. Clive and Missy got comfortable on the couch. I found Lana sitting on the edge of the bed and she called me over to her and began removing her top. Lana has these cute boobs that stood straight up and both of her nipples are pierced. I kneeled down in front of her and began to lick her pierced nipples. I had never played with pierced nipples before but I enjoyed flicking the piercings with the tip of my tongue. I think she was enjoying it too. As Lana cooed with pleasure, her hands gripped my head and brought me up to her mouth and kissed me sliding her tongue seductively into my mouth. She coaxed me to my feet, unzipped my shorts unleashing my man-missle and dove in on me.

There I was, standing in front of Lana with my cock in her mouth. She cupped my balls in her hand, fondling my sack in one hand as she sucked and caressed my shaft with the other hand and her mouth. She had me on the verge of an orgasm in nothing flat. About that time, Beth returned to the room and jumped right in giving me a double blowjob to die for. I watched in ecstasy as Lana and Beth worked my cock together with their mouths, it was clear that both girls had done this before. I peered over to see Missy leaning back on Clive's chest. "I can't wait to see you two fuck my husband!" Missy told the two girls. Beth pulled me to the bed and laid me down and posted herself near my face. Lana straddled my waist and poised herself to impale herself on my rocket. Beth had her wet, juicy pussy

so close to my mouth I could smell her musky scent, and Lana had my cock in her hand with the tip of my cock at the entrance to her moist pussy.

Then, as if it was pre-arranged, Lana whispered loudly, "Ready?" as she impaled herself on my cock while Beth lowered herself onto my waiting mouth. I was in heaven, I had one hot pussy on my face and another one on my cock. I reached up and grabbed Beth's thighs with my arms and pulled her down on my face. Beth's juices were sweet, yet a bit saltier than what I had become used to from Missy, but delicious for sure. I flicked her clit with my tongue and lapped her juices into my mouth. As she rode my face, I periodically slipped my tongue into Beth's love hole as far as it would go. Every time I flicked her clit and tongue fucked her, Beth edged closer and closer to a raging orgasm. Not lost in the pleasure of eating Beth, what Lana was doing to my cock was like nothing I had ever felt. Lana's thrusts on me were amazing, she would ride my cock with these pelvic thrusts then stop. Each cycle of this was incredible and took me over the edge to my own orgasm.

I was so lost in what was happening to me that I strained to hear Missy moaning as Clive was probably licking or fucking her. I couldn't see anything as Beth was still sitting on my face, grinding herself to climax. Lana was kissing Beth and worked herself to orgasm, too. Later that night I found out that Missy had cum with Clive and I was happy for her. And since I didn't see it, I was happy.

Editor:

What planet did Shyla come from? She is the hottest thing ever. What great boobs and butt on that babe, and she's got the sexiest smile that is just the biggest turn on. I think I fell instantly in love with her the moment I saw her on the cover. And the inside photos were super hot, but not as hot as her video. Give us more!

When I was younger, I never went to parties or nightclubs. It was only after I divorced my husband that my girlfriends insisted that I get out and have a good time. Forget him, there are a lot of men out there and they all want to screw me. And I want to fuck and suck them, and the bigger they were, the better. I really got into it and I'm enjoying sex more now.
